

MEDIA KIT 2018

SPRAYTIME

PROFILE

SPRAYTIME® is the flagship publication of the International Thermal Spray Association (ITSA) providing company, event, people, product, research, and membership news of interest to industrial leaders, engineers, researchers, scholars, policymakers, and the public thermal spray community.

ITSA is proud of what it started with **SPRAYTIME®** in 1992 and what it has planned for future expansion of news and circulation. If you are a member of the thermal spray community or have an interest in thermal spray, **SPRAYTIME®** is your publication, so we encourage and welcome your contributions of articles, news, and events.

SPRAYTIME® includes

- Technical articles and practical tips
- Industry news
- Product and print spotlight
- New technologies and processes
- People in the News
